Press Release on Press Release on February 18, 2025
SAAF Holdings Co., Ltd.
Tokyo Stock Exchange Growth Market: Ticker code 1447

SAAF Holdings Group

We have begun business in earnest, being certified as a “supervising organization” for foreign technical intern trainees

“Future Create Cooperative” (hereinafter referred to as the “Cooperative”), a business cooperative and supervising organization that conducts joint acceptance projects related to foreign technical interns and specified technical interns of our group, has been certified as a “registration support organization” for specified skilled foreigners, as announced in the press release dated December 3, 2024, “SAAF Holdings Group - Establishment of business cooperative/supervisory organization for foreign technical intern trainees and certification as a “registration support organization” for specified skilled foreigners”, and has recently obtained a license as a “supervising organization (specified supervision business)” related to foreign technical intern trainees. We would like to inform you that we will be able to start our business in earnest with this acquisition.

【Overview】

Future Create Cooperative

Name of cooperative: Future Create Cooperative

Location: Toyo 3-11-10, Koto-ku, Tokyo

Representative administrative director: Koichiro Sato
(Director of SOMETHING Co., Ltd.)

HP: <https://f-create.or.jp/>

SOMETHING Co., Ltd. (Head office: Koto-ku, Tokyo, Representative Director and President: Mitsugu Koshirakawa), a member of our group and one of the founding promoters of this cooperative, has been accepting foreign technical interns for over six years, and has accepted approximately 100 interns so far, and has the know-how regarding interns. Utilizing this know-how, our group company Tomei Co., Ltd. (Head office: Chofu City, Tokyo, Representative Director and President: Tairoku, Kawasaki) is also accepting trainees. In addition, in cooperation with our group's SOMETHING VIETNAM CO., LTD., we are working to develop human resources who can play an active role in Vietnam and provide employment support. Furthermore, the agreement we signed with Vietnam's Dong Thap Province in December 2022 mainly focuses on building cooperative relationships in the fields of agriculture, human resources, and construction. There are also significant medium- to long-term synergies related to agriculture, and we have actually begun discussions regarding the construction and operation of an agricultural experimental station on site, including consideration of accepting technical interns and technical trainees at Japanese farmers and agricultural farms. We have established this cooperative in order to further expand and accelerate the speed of growth.

This cooperative association has obtained a supervising organization license from the Ministry of Justice and the Ministry of Health, Labor and Welfare on February 10, 2025. A supervising organization is an organization that, at the request of a company considering accepting foreign technical intern trainees, recruits technical intern trainees overseas, coordinates and carries out various procedures related to acceptance, provides guidance to the host company, and conducts post-acceptance audits, etc. With this certification, we will be certified as a "registration support organization" for specified skilled foreigners, which we obtained in December last year, and we will move forward with the joint acceptance of foreign technical intern trainees and the joint acceptance of specified technical intern trainees in earnest. In addition, by utilizing this business, we aim to create synergies among group companies and further expand by retaining existing customers of I-need Co., Ltd. (Head office: Osaka City, Osaka Prefecture,

Representative Director and President: Masahiro Matsumoto), which operates the human resources business of our group.

At a time when the economy is globalizing and the domestic market is shrinking as the population continues to decline, our group will strive to develop our business with an eye on overseas markets, primarily in Southeast Asia, and aim to further improve our corporate value as a social problem-solving company.
