## ■ About the future

We are pleased to be awarded the Mercari Shops Award 2024, "Good Partner Segment." We would like to express our heartfelt gratitude to all of our clients who have been using Next Engine on a daily basis and to everyone who supports our collaboration with Mercari.

NE will continue to strengthen our linkage with Mercari and other partner companies to provide an enabling environment for store openers to operate their EC more smoothly. We will promote initiatives to support the growth of more EC businesses while responding to changes in market-related conditions.

This award is exactly a step toward embodying the purpose of "Frenzy into Commerce." We will continue to create new frenzy with EC businesses and open up the future of commerce.

## ■ Mercari Shops Linkage Promotion Campaign

We will give JPY15,000 worth of gift cards to those who have downloaded the app and have signed up for Next Engine during the free trial.

This is a special benefit only for the first 20 companies, so please take this opportunity to try Next Engine.

## ■ Outline of Next Engine

Next Engine is a cloud (SaaS) type EC platform for EC businesses. We will provide support for efficient operations by centralizing the operations necessary for online shop operations, including order receipt, ordering, purchasing, inventory management, management of product information, and analysis.

The main features are as follows.

- Integrate functions required for online shops, such as order receipt, inventory and management of product information, and analysis.
- The number of malls available is the largest in the industry, with more than 50 malls.
- Flexible enhancements through the Next Engine Apps.
- Provides a development and sales platform for Next Engine Apps.
- Number of clients: 6,426 (as of October 31, 2024, chosen by companies in a wide range of industries and sizes.)

Next Engine will continue to support the growth of EC businesses and work to further improve our services.
