Notice Concerning the Submission of FY23 Securities Report

As previously announced in the "Notice Regarding the Delay in Submission of the Securities Report for FY23 and the Possibility of Designation of Our Stock as a Security Under Supervision (Confirmation)", dated June 27, 2024, although we were unable to submit the FY23 securities report by the previous deadline of June 28, 2024, we have submitted the report to the Kanto Local Finance Bureau today.

There are no changes from the content announced in the "(Revision of Explanation and Numerical Data) Partial Revision of Consolidated Financial Results for the Fiscal Year Ended December 31, 2023 (Under Japanese GAAP) " dated July 9, 2024, regarding the consolidated financial results for FY23.

Additionally, we will continue to work to ensure the disclosure of the FY24 Q1 Financial Results Summary and the submission of the FY24 Q1 quarterly report by the deadline of July 16, 2024.

We deeply apologize for the significant inconvenience caused to shareholders, investors, and other stakeholders.
