Plan for Complying with the Standards for Maintaining Listing

As of September 30, 2024, the Company (hereinafter, simply “we”) did not comply with the standards for maintaining listing on the Prime Market of the Tokyo Stock Exchange (hereinafter, the “Standards”). Therefore, we hereby announce that we have prepared a plan for complying therewith as described below:

Details

1. Present Compliance Status with the Standards and the Period for Complying with the Standards

Our compliance status with the Standards as of September 30, 2024 is shown in the table below, and it indicates that the “market capitalization of tradable shares” does not comply with the Standards. We will make various efforts to comply therewith.

	Number of stockholders	Number of tradable shares	Market capitalization of tradable shares	Tradable stock ratio (number of tradable shares / that of issued shares)
Present status (as of the record date)	21,823 persons	49,920 units	¥9,498 million	41.8%
Standards	800 persons	20,000 units	¥10,000 million	35%
Compliance status	○	○	×	○
Period for complying with the Standards	-	-	Until the end of September 2025	-

(Note) The above compliance status is calculated based on the outstanding number of our stock certificates and other data recognized by the Tokyo Stock Exchange as of their record date.

2. Basic Policy, Issue, and Details of Initiatives for Complying with the Standards

The details of our efforts to comply with the Standards are described in the "Plan for Complying with the Standards."

※Please refer to the Japanese version of the "Plan for Complying with the Standards." No English translation was prepared.
