

## Premium Group Obtains Third-Party Assurance of GHG Emissions

Premium Group Co., Ltd. (Headquarters: Minato-ku, Tokyo; President and Representative Director: Yohichi Shibata; hereinafter “the Group”), an automobile company providing a comprehensive range of solutions related to automobiles, announces that it has obtained third-party assurance from SOCOTEC Certification Japan to improve the reliability of greenhouse gas (GHG) emissions data for fiscal 2023.

The Group, which is primarily engaged in the used vehicle business, views climate change as a key issue for sustainable corporate growth and is working to decarbonize and create a recycling-oriented society by promoting the Reduce, Recycle, Reuse, and Repair (4Rs) for automobiles, supporting the popularization of electric vehicles (EVs), and reducing energy consumption and CO<sub>2</sub> emissions generated through business operations.

Furthermore, considering our support for the TCFD recommendations in June 2023, we are committed to enhancing our climate change-related disclosure. By obtaining third-party assurance in accordance with the international standard ISO 14064-3, we will be able to disclose GHG emissions data with even greater reliability and transparency to all of our stakeholders.

<Target period> April 1, 2023 - March 31, 2024

<Scope> Premium Group Co., Ltd. and its 16 subsidiaries in Japan and 2 subsidiaries overseas

<Assured items> Greenhouse gas (GHG) emissions (Scope 1, Scope 2) and other indirect GHG emissions (Scope 3 (categories: 1-7, 10-13, 15)) generated in our value chain
