■ Overview of Koshikano Onsen

“Bihada no Yu (Beautiful skin bath) Koshikano Onsen” is highly rated by many people as “hot spring good for the skin” with a reputation for its spring quality. In addition to its form as a Japanese-style inn, it has Japan’s first glamping facility with an open-air bath with free-flowing hot-spring water in every private room [*1]. You can use it together with the water bath using Kirishima natural spring water and the tent sauna (installed in Suite Glamping). We also have plans that allow you to stay with your pets.

Moreover, we are also developing “Onsen Ryokan Glamping,” which intentionally has a capacity of two people and allows you to experience a mix of the relaxing atmosphere of a hot spring inn and the extraordinary essence of glamping.

[*1] According to Stella Associa’s research (December 2021), a private space is defined as having the functions required of a hotel (4 points: bed, toilet, bath, and dining space) in each room. This means that everything is invisible from the outside.
