Vision Inc. will open stores at EXPO 2025 OSAKA, KANSAI, JAPAN!

The stores will support visitors from Japan and abroad at two gates on either side of the Expo site. They will rent and sell communication devices such as Wi-Fi and mobile batteries.

Vision Inc. (Headquarters: Shinjuku-ku, Tokyo; President, Representative Director and COO: Kenji Ota, hereinafter Vision), which operates GLOBAL WiFi Business, Information and Communications Service Business, and Glamping and Tourism Business under the themes of “Connecting People, Connecting the World,” will open stores in the “East Gate Zone” and the “West Gate Zone” at EXPO 2025 OSAKA, KANSAI, JAPAN (hereinafter the Expo), which will be held from April.

The two areas where “GLOBAL WiFi®” and “NINJA WiFi®” for foreign visitors to Japan will open their stores will be located between the two east-west entrances to the Expo (East Gate directly connected to Yumeshima Station on the Osaka Metro and West Gate where the station shuttle bus departs and arrives) and the pavilion site.

In line with the theme of the Expo, “Designing Future Society for Our Lives” and the concept of “People’s Living Lab - A laboratory for a future society,” all automated rental and vending machines utilize the latest operational technology and will be cashless, providing visitors with the optimal communication and charging environment during the event.

■ Vision’s service flow to realize to secure communication means and provide a portable power supply at EXPO OSAKA, KANSAI, JAPAN

Vision’s rental Wi-Fi services, including “GLOBAL WiFi®,” a Wi-Fi rental service for overseas and “NINJA WiFi®,” a Wi-Fi rental service for visitors to Japan, have been used by over 21 million people worldwide

since its launch in 2012. (*1)

The users can receive rental devices and purchase products smoothly by utilizing the “Smart Pickup” Lockers and vending machines that “GLOBAL WiFi®” and “NINJA WiFi®” expand at major airports across Japan. In addition to picking up pre-ordered devices, we will also be offering mobile battery rental to meet their application and charging needs within the Expo site. All services will support cashless payment and will be operated with the aim of providing convenience. Moreover, rental devices can be returned at the return box located at the site, or at 20 airports across Japan such as Kansai International Airport and Itami Airport.

All services are self-service, but staff with extensive product knowledge and multilingual support are assigned there, and Vision will provide services to meet the needs of each Expo visitor.

The number of visitors to Japan in 2024 was 36,869,900, a significant increase of 47.1% compared to the previous year and 15.6% compared to 2019. It is approximately 5 million more than the previous record high of 31,882,049 in 2019, setting a new annual record. (*2)

By realizing to provide services within the Expo site in addition to the 20 domestic airports that serve as the entrance for visitors to Japan, Vision expands its support system for communications and charging needs. Vision also makes the most of the know-how it has cultivated in the communications-related business to contribute the success of Japan’s world-class event.
